

Thank you to the staff at teachingmatters.org for developing the foundation for this online learning resource!

Good Morning Parents!

Welcome to digital learning! Please use this resource as a guide to support your child's learning at home.

Given their age level it's likely they will need your help reading the information on the slides and clicking on different resources.

It's recommended that you sit with your child as they use this material. This is not meant to be done all in one sitting. If your child starts to feel fatigued, take breaks. We've built in some along the way. Most importantly, have fun learning together!

Buenos Dias Padres!

¡Bienvenido al aprendizaje digital! Utilice este recurso como guía para apoyar el aprendizaje de su hijo en casa.

Dado su nivel de edad, es probable que necesiten su ayuda para leer la información en las diapositivas y hacer clic en diferentes recursos.

Se recomienda que se sienten con su hijo mientras usa este material. Esto no debe hacerse todo de una vez. Si su hijo comienza a sentirse fatigado, tome descansos. Hemos construido algunos en el camino. Lo más importante, ¡diviértanse aprendiendo juntos!

Good Morning Everyone!
Welcome to your second day of distance learning. I hope you enjoyed your first day. I have been looking at all of your progress on Splash Math, Spelling City and Raz Kids. WOW!! Keep up the AMAZING work! Also keep sending me pictures of your work and your day! I miss you very much!

Love, Ms. Havlik

TIME FOR SOCIAL STUDIES!

Watch this video to learn what a community is:

Trash on New York City Streets

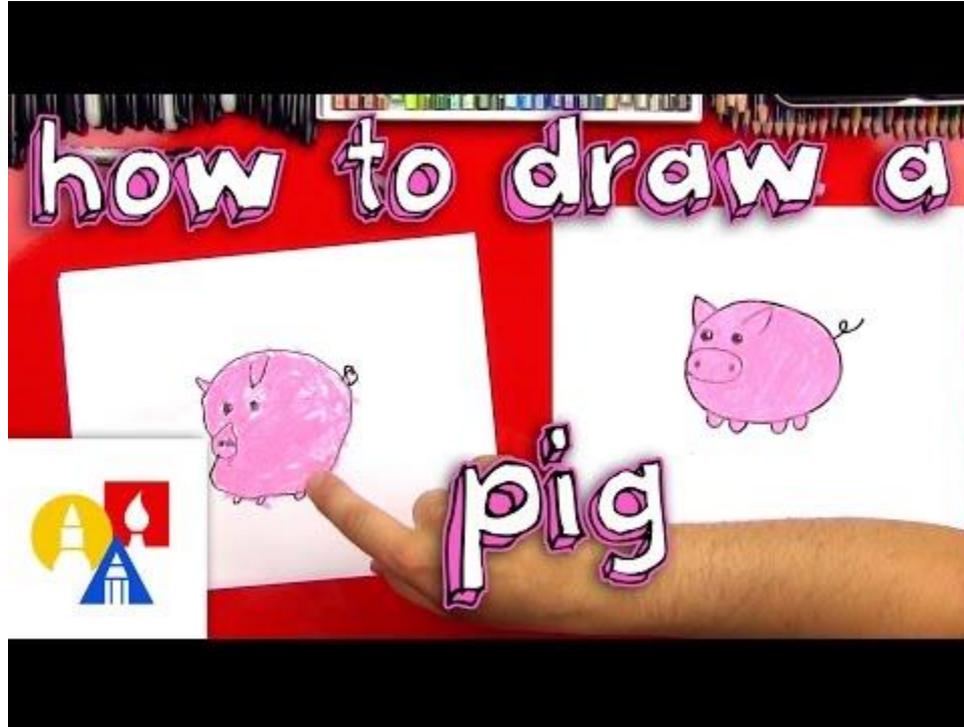

How Would You Clean Up All This Trash in your community?

If you were a city or town leader, what would you do to clean up all this trash?

Think about 3 possible solutions and talk about them with someone at home.

Bonus: Let's draw a pig together! Grab your pencil and some paper and press start! Write a sentence to go with your drawing!
