

Good Morning Parents!

Welcome to digital learning! Please use this resource as a guide to support your child's learning at home.

Given their age level it's likely they will need your help reading the information on the slides and clicking on different resources.

It's recommended that you sit with your child as they use this material. This is not meant to be done all in one sitting. If your child starts to feel fatigued, take breaks. We've built in some along the way. Most importantly, have fun learning together!

to the staff at teachinmatters.org for
the foundation for this online learning

Buenos Dias Padres,

¡Bienvenido al aprendizaje digital! Utilice este recurso como guía para apoyar el aprendizaje de su hijo en casa.

Dado su nivel de edad, es probable que necesiten su ayuda para leer la información en las diapositivas y hacer clic en diferentes recursos.

Se recomienda que se sienten con su hijo mientras usa este material. Esto no debe hacerse todo de una vez. Si su hijo comienza a sentirse fatigado, tome descansos. Hemos construido algunos en el camino. Lo más importante, ¡diviértanse aprendiendo juntos!

WEDNESDAY APRIL 1, 2020

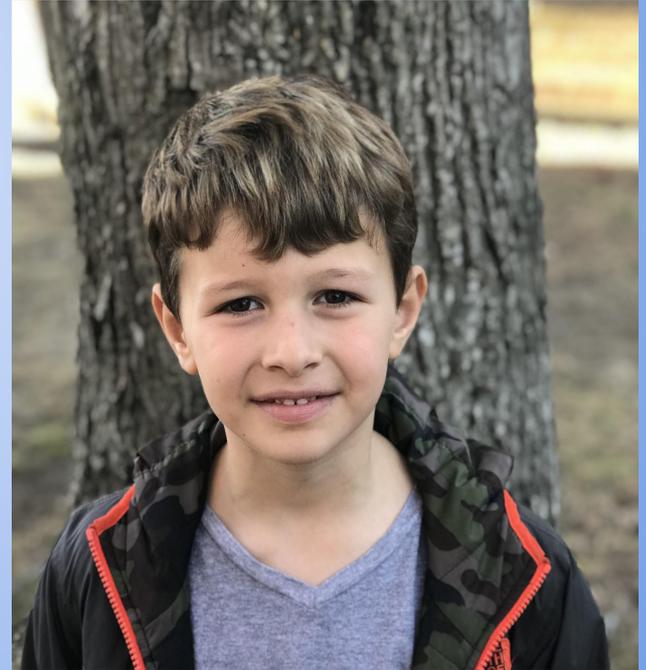

HAPPY BIRTHDAY

LUCCA!

I hope you have a
SUPER special day!
Make sure you have
a cupcake (or two)
for me!

Love, Ms. Havlik

**Let's all say it together...
"AWWWWWWWWWWW!"**

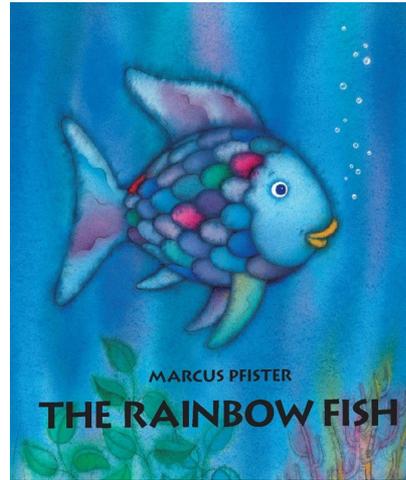

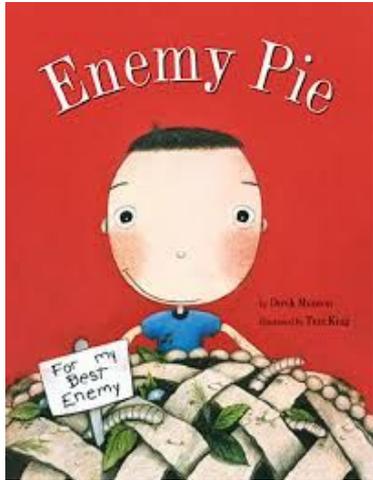

LET'S READ AND WRITE!

Do Now: Think back to the stories you heard this week.
Tell someone at home,

“What were the **problem** and **solution** in these stories?”

Jeremy Ross laughs at Tom and has a party without him. So Tom says they are enemies.

Tom invites Jeremy over for enemy pie & they have fun playing together. They become friends.

At first, Rainbow Fish won't share his beautiful scales, so the other fish don't like him. He is lonely.

Octopus tells Rainbow Fish to give a glittery scale to the other fish. When he does, they become friends.

Parts of a Story

Watch this video to help you think about all the parts that go into a great story!

Read Aloud with Ms. Havlik

After you listen to the story tell me your **OPINION!**

On a piece of paper write:

In my opinion _____ is the best pet.

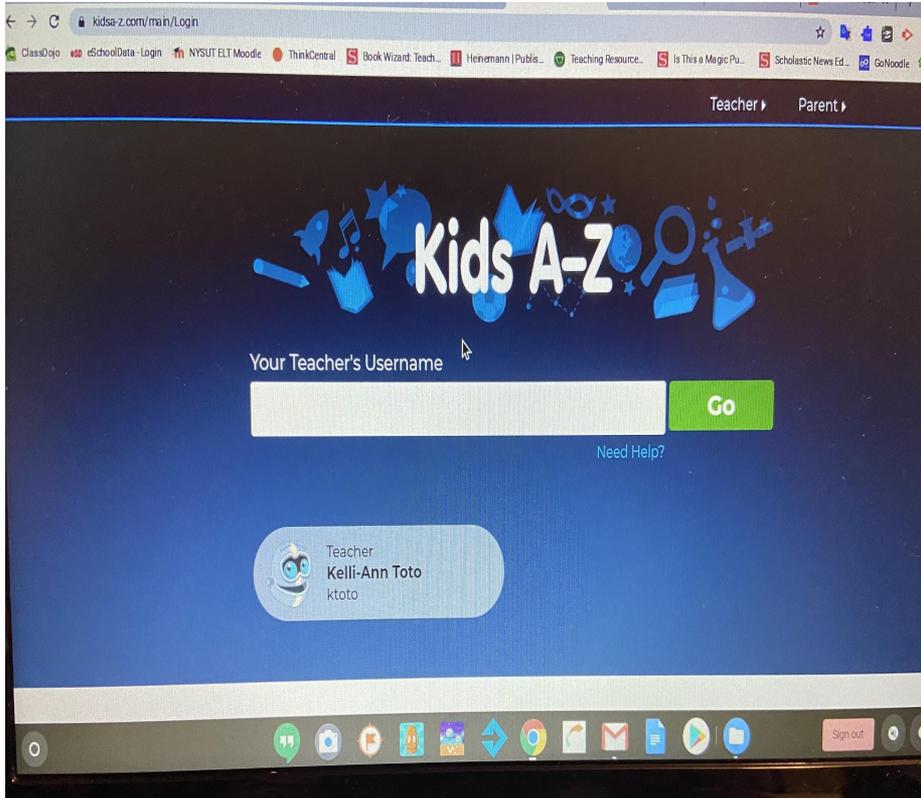

One reason is because _____.

Another reason is _____.

Also _____.

Send me a picture of your writing on Dojo

Let's Read!

Choose a few books that you want to read on kidsa-z.com

You can read a book in Spanish or English

The teacher username is **khavlik**

Start the timer for 15 minutes.

You can take the book quiz when you finish reading

VCE Drill with Ms. Rucker

Repeat after her...

Watch the video and then see next slide for word work.

Word Work dr- and fr- blends.

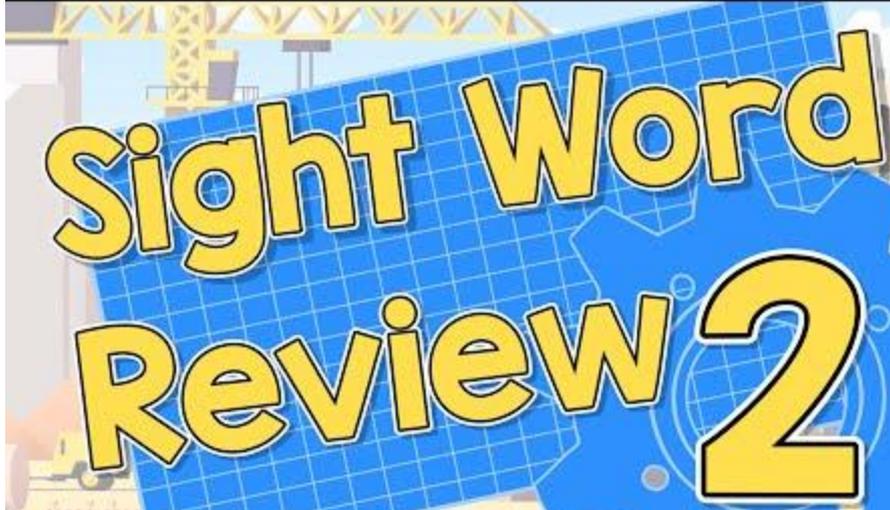

Make a chart like the one below on your paper to fill in the blanks with **dr-** or **fr-** and then write the word.

dr-	fr-

 ___ u m	 ___ o g
 ___ e s s	 ___ i e s
 ___ u i t	 ___ o w n
 ___ i e n d s	 ___ a g o n

Check your work

A graphic for a sight word review. The text "Sight Word Review 2" is written in a bold, yellow, rounded font with a white outline. The text is set against a blue background with a white grid pattern. To the right of the text is a large blue gear. The background of the graphic shows a construction site with a yellow crane and red steel beams.

Sight Word Review 2

Stand up!

Let's do this!

TIME FOR MATH!

Doubles Rap 6-10!

Yesterday we practiced doubles 1-5. Today, let's take it up a notch!

Sing along!

$$12 - 10 = 2$$

Math Time!

Warm Up

Subtraction Facts

Try to solve each
problem quickly

$27 - 1$ $27 - 10$

tens ones tens ones

Subtracting 1

VS.

subtracting 10

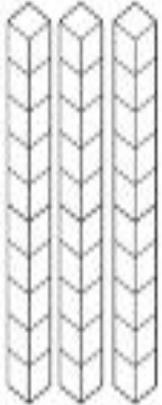

Math Time!

Watch

Subtracting 1 vs. 10

3 tens

7 ones

tens
ones
37

Let's Practice! Subtracting 1 vs. 10

Click on the link to use what you know about 1's and 10's to subtract. Make sure to draw out each number using ten (rods/ sticks) and ones (cubes).

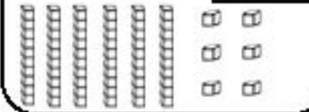

[Practice: Click to show what you know about Subtracting 1 or 10](#)

Name _____

Subtracting Tens and Subtracting Ones

Use the pictures to cross out tens or ones to act out each problem.

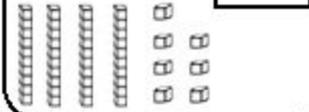

$66 - 10 = \square$

$51 - 1 = \square$

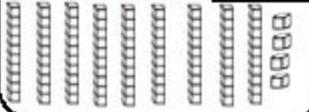

$47 - 1 = \square$

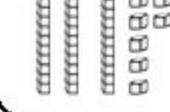

$23 - 10 = \square$

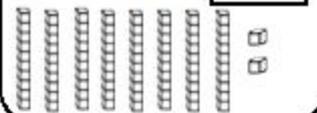

$94 - 10 = \square$

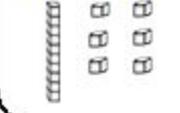

$36 - 1 = \square$

$82 - 10 = \square$

$16 - 10 = \square$

More Practice!

Solve with Pencil & Paper

Solve each problem making sure to use what you learned about place values to find the **difference**.

Math Time!

Daily Problem Solving

Lucca had **32** pennies in his piggy bank. During the week he earned **46** more pennies. How many pennies does Lucca have now?

THINK: A penny is worth **1** cent

Use paper to solve! Show your thinking.

TIME FOR SOCIAL STUDIES!

Figure out a Solution

Have an adult **read** you the problem below:

Problem: The local children's playground is full of trash and broken equipment. Playground money is being put aside to build a new tennis park for adults. The people who work in the playground are not being paid much, and so they have said they will only work on weekends and will get a better job somewhere else on the weekdays. If this happens, the playground will only be open on the weekends.

Discuss with an adult. How would you solve this problem if you wanted to be elected as a new city leader? **If you would like to write**, you can take a picture of your work and send it to your teacher on dojo.

A photograph of an astronaut in a white space suit floating in space. The astronaut is wearing a white helmet with a clear visor and has a small American flag patch on the right shoulder. The background is a deep blue space with some faint light streaks. The image is overlaid with a semi-transparent purple and blue gradient.

TIME FOR SCIENCE!

Time to Discover the Habitats of Animals

Let's learn about the habitats of animals!

Activity

Draw and write on paper **or** tell a family member:

What is your favorite animal?

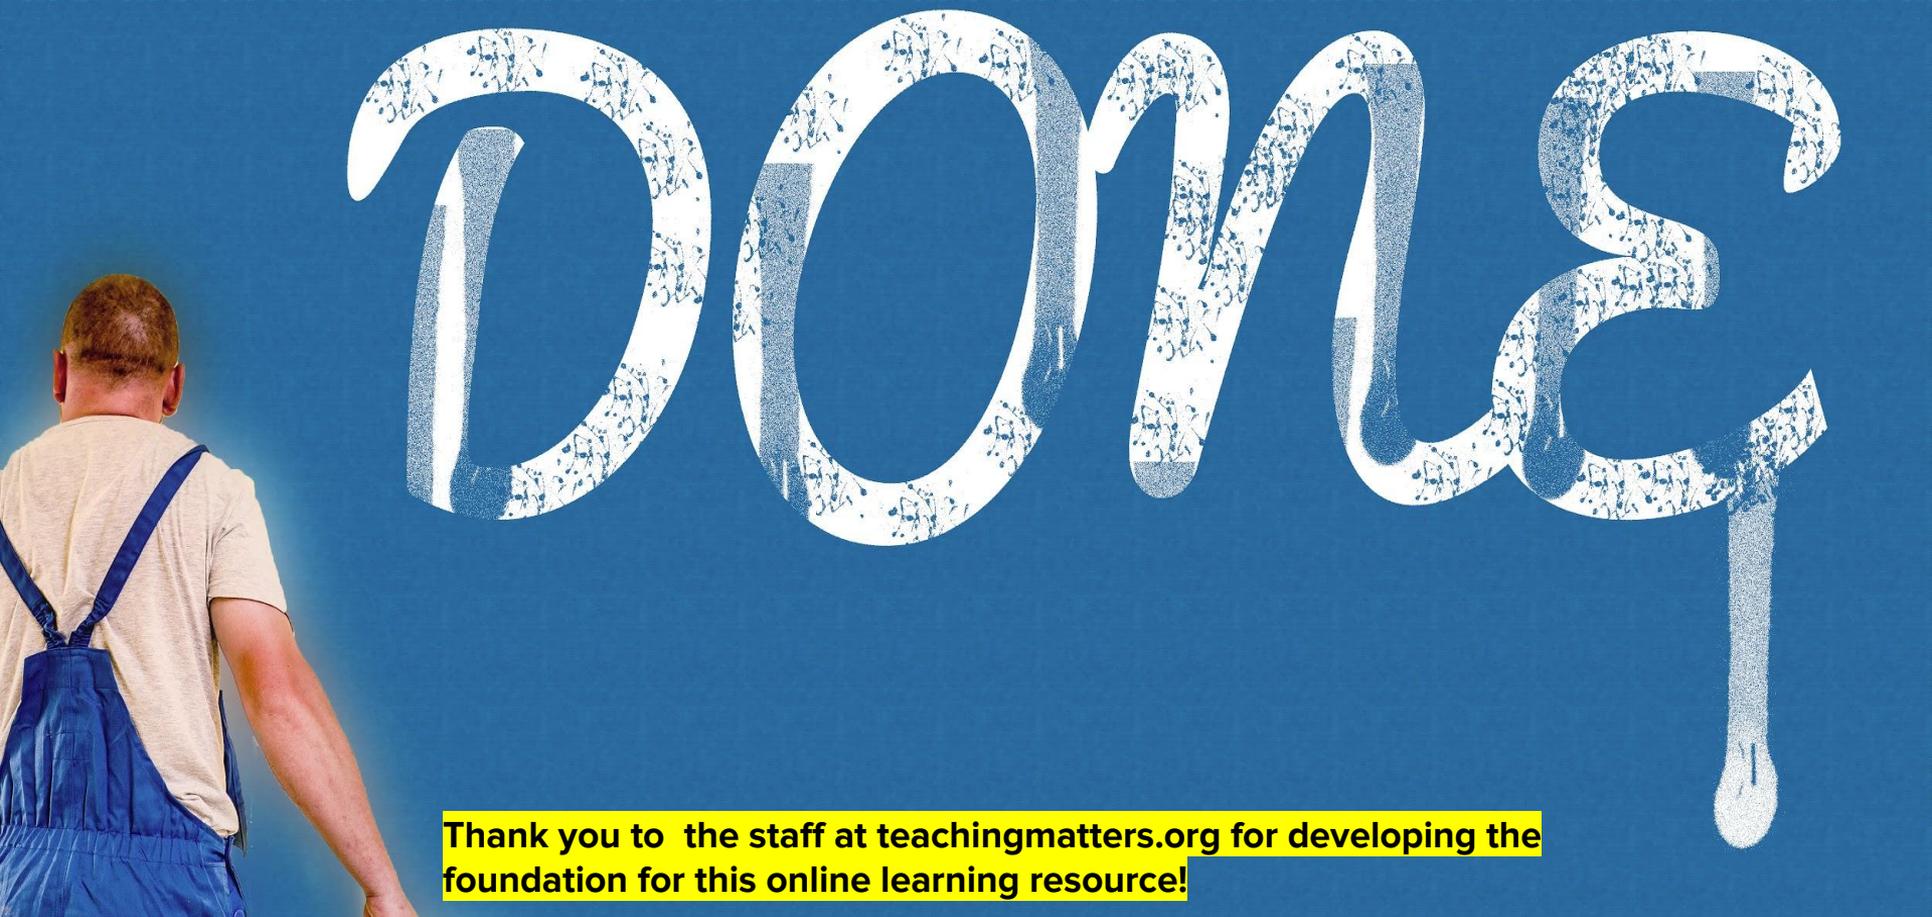

What habitat does it live in?

Let's sing the Habitat Song

habitat

DOMS

Thank you to the staff at teachingmatters.org for developing the foundation for this online learning resource!

WHOA! Good Job!
