Good Morning!

Today we have Gym and STEAM.

Please check both websites. You may also want to check Mrs. Hallman's Google Classroom.

I have loved reading all of your story ideas. Keep them coming!!

Love, Ms. Havlik

You  
can do  
hard  
things

# LET'S READ AND WRITE!

# Plan: Sketch & Touch and Tell

## 2. Plan

- Touch and tell
- Sketch across the pages

I sketched across the pages and practicing telling what would happen first, then, next and last!

# Follow your plan and...Write!

Remember ways to make your story come alive!

Make sure you have a beginning, a middle and ending, a problem and a solution!

PIG 3-1 Teacher demonstration text

Gretchen hid her head in her hands. Crack! She was cold.

PIG 3-2 Teacher demonstration text

Then the storm passed. Gretchen's mom yelled, "Gretchen, come inside and get dry. I made hot chocolate."

PIG 3-3 Teacher demonstration text

Gretchen climbed down the tree house.

PIG 3-4 Teacher demonstration text

She felt safe at last.

# Paper

You can use **any paper at home**. Make sure you have a place to sketch and write **OR** you can print as much of this writing paper if you need.

A graphic featuring three overlapping speech bubbles. The top-left bubble is black with the word "Turn" in white. The bottom-left bubble is teal with the word "TALK" in white. The right bubble is purple with the word "and" in white. The words are stacked vertically, suggesting a phrase: Turn and TALK.

Turn  
and  
TALK

Today you will be listening to a story called A Weekend with Wendell. I want you to turn and talk with someone at home and think about a sleepover that you may have had with a friend or family member.

## Lesson 10.3- How can you read a bar graph to find the number that a bar shows?

Think about this problem:

Emma's class made this picture graph. What question could Emma's class answer using this graph?

Talk about it with  
whomever is helping you  
with your work today.

Each circle stands for 1 child.

# Check out the bar graph about art supplies and use it to answer questions #1-5.

**Share and Show**

Use the bar graph to answer the question.

1. How many children chose ? \_\_\_\_\_ children

2. How many children chose ? \_\_\_\_\_ children

3. How many more children chose than ? \_\_\_\_\_ more children

4. Which art tool did the fewest children choose? Circle.

5. Which art tool did the most children choose? Circle.

**Here's one more  
Bar Graph for  
today. Look at the  
information on  
the graph and  
use it to answer  
questions # 6-11.**

**MATHEMATICAL PRACTICE** **Use Graphs** Use the bar graph to answer the question.
